FULLERTON TOOL COMPANY

High performance end mills, drills, reamers, saws, keyseat cutters. Fullerton is a full line special manufacturer of any carbide round tools.

Carbro

Reamers, drill/reamers, dagger drills, routers, nut plate drills, saws, threaded shank tooling, and aircraft special tooling of all kinds.

InovaTools® GERMAN TOOLS GROUP

Coolant throuh and deep hole high performance drills, micro drills, modular tooling, diamond coated tooling, and die and mold end mills.

RMT™ ROCKY MOUNTAIN TWIST THE AMERICAN DRILL COMPANY

HSS and cobalt drills, aircraft extension drills, threaded shank drills, and HSS and cobalt specials.

DAPRA™ MILLING SOLUTIONS

Indexable milling & ballnose cutters.

HAIMER

Shrink fit and balancer machines.
Shrink fit and ER tool holders.
Microset tool presetters.

MOON Cutter Co., Inc.

Milling cutters, keyseat cutters, dove tail cutters, saws, and special tooling all available in HSS and HSCO.

RAPTOR™ WORKHOLDING PRODUCTS

TE-CO®

PIRANHA

Workholding vises, clamps, and fixtures.
Superior strength coolant delivery systems.

LEXINGTON CUTTER, INC.

Carbide tipped reamers, drills, keyseat, milling cutters.
Reconditioning available on most Lexington tools.

exactaform

Special PCD and carbide cutting tools. PCD drills, end mills, reamers, and shell mills.

fives

Citco diamond cutting tools, Gardner Abrasives, wheel dressing solutions, ultra precision grinding machines (double disc, centerless, OD, ID, cam/crankshaft, peel, surfance.)

BONEHAM

High precision drill bushings and dowel pins.

WhizCut®

Swiss turning, boring, grooving, broaching, thread milling, and specials.

Xactform
PERFECTION FOR REFERENCE

Carbide thread mills, threading inserts, small diameter drills and end mills, and special tooling.

SIMTEK®

Turning, boring, grooving, broaching, thread whirling, and specials.

COSEN

Manual & automatic bandsaw machines.

Honsberg®

Bimetal, carbide tipped, and carbon steel bandsaw blades.

EC ENDURANCE CARBIDE
OUTLAST - OUTPERFORM

Precision carbide, HSS, and cobalt wear parts. Punches, bushings, pins, gages, dies, ejectors, components, and specials.

Greenleaf® Tooling Solutions

Ceramic milling, turning, and grooving tools for HRSA and hardened materials.

FULLERTON TOOL COMPANY

High performance and general purpose solid carbide and PCD cutting tools.

HAIMER

Shrink fit and balancer machines. Shrink fit and ER tool holders. Microset tool presetters.

Carbro

Aerospace tooling specialists offering solid carbide drills, reamers, routers, burrs, and threaded shank tooling.

SIMTEK®

Turning, groove milling, broaching, and thread whirling.

RMT™ ROCKY MOUNTAIN TWIST

THE AMERICAN DRILL COMPANY

HSS and HSCO drills, hand taps, and hand tools.

LEXINGTON CUTTER, INC.

Carbide tipped reamers and complete carbide tipped tooling solutions for milling, drilling, and reaming.

InovaTools®

GERMAN TOOLS GROUP

High performance carbide end mills and drills 3xD to 30xD. Exclusively imported by Fullerton Tool.

COSEN SAWS

Since 1976

Manual and automatic bandsaw machines.

ENDURANCE CARBIDE

OUTLAST - OUTPERFORM

Precision industrial carbide wear parts and precision carbide gage pins.

CeramTec

THE CERAMIC EXPERTS

Ceramic milling, turning, and grooving tools for HRSA and hardened materials.

CENTAUR Precision Tools Inc
AN ISO 9001:2008 CERTIFIED COMPANY

Standard and high precision offering of tool holders, collets, and tapping systems.

EUROBOOR
FOR PROFESSIONALS BY PROFESSIONALS

Portable magnetic drilling machines, annular cutters, TCT hole saws, beveling tools, sawing tools grinding tools, and lifting solutions.

BONEHAM

High precision drill bushings and dowel pins.

Xactform
PERFECTION FOR REFERENCE

Carbide thread mills and threading inserts.

MOON
Cutter Co., Inc.

HSS and carbide tipped specialty and keyseat cutters.

exactaform

Special PCD and carbide cutting tools. PCD drills, end mills, reamers, and shell mills.

WhizCut®
