

YOU'RE INVITED!

JOIN US AT HAIMER'S HCCP TRAINING!

The HCCP program provides exclusive benefits, including comprehensive classroom and hands-on technical sales training, sales assistance with project development and implementation and technical support for all HAIMER products.

WHAT YOU WILL LEARN ABOUT

- Tool Holding – The key role it plays and pitfalls to look out for
- Shrink Fit – How it works, cost benefits and where it can be applied
- Balance – What is it, what role does it play in manufacturing, how to apply it at the spindle to reduce deviations in machining
- Presetting Technology – How and where it is utilized, how it increases machine utilization, and how it eliminates errors
- Hands-on training on HAIMER technologies

TRAINING PERKS

- 1.5 days in-person training at HAIMER USA
- Fun Night Out
- Hotel, meals and local transportation are all complements of HAIMER USA
